

It's about: a multi-purpose learning environment for the sharing of information at many levels and through many styles. See Thought Starter 16 for the adjoining space

Architecture

Balancing Privacy
Provide visual and acoustical privacy between training rooms with full-height moveable walls

Making Work Visible
Provide a structure for visual display with full-height moveable walls

Products to consider: Pathways Privacy Walls

Furniture

Making Work Visible, Managing Connections
Enable dynamic forms of idea sharing via mobile and stationary markerboards and tackable surfaces

Supporting Diverse Workstyles
Create room configurations that support diverse instructional methods using a variety of tables, carts, and seating options

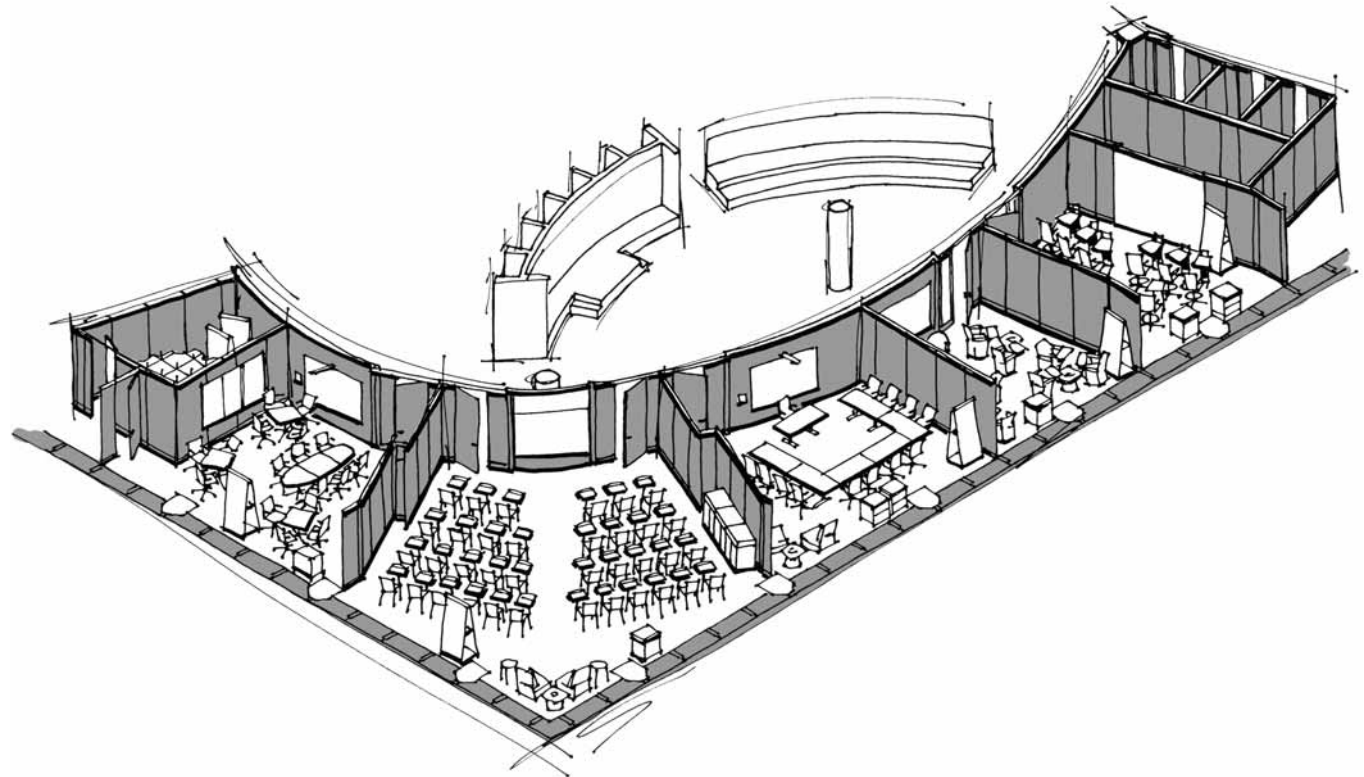

Products to consider: Metro Teamwork mobile easels, Metro Archipelago seating, Werndl Emerge Communicator, Brayton Migrations seating, Brayton Migrations hub table, Vecta Kart chairs and stools, Wilkhahn Conrack shelving, Metro Teamwork universal carts

Technology

Balancing Privacy, Managing Connections
Communicate room availability and duration of training sessions using web-based electronic tools

Making Work Visible, Managing Connections
Allow users to remember and revisit their work by utilizing electronic devices that record information written on markerboards

Products to consider: PolyVision RoomWizard, PolyVision CopyCam

Managing the workplace strategically

Creating and managing a high-performance workplace demands the thoughtful planning of numerous diverse and interconnected issues

- Define goals and measure results in line with corporate strategies
- Apply architecture, furniture and technology products—insuring flexibility, dependability, adaptability and environmental responsibility.
- Combine efficiency and effectiveness by focusing on how people actually work and by applying the appropriate planning principles.

Note: Some application restrictions may apply for seismic zones 3 and 4

Each worksetting addresses these planning principles at varying levels based on need. This worksetting maps out as follows:
